Holy Family to Hold Fundraiser for African Village

The Church of the Holy Family invites you to rock the night away to Connecticut's own Wings Bison band at its 'Rock for Water' fundraiser on Saturday, April 10, 2010 at 8pm in the church hall at 185 Church Street in Hebron. Proceeds from the evening will be used to drill and install a water well in an African village.

"This is an awesome and unique opportunity to raise money for a very critical cause. A new well will not only offer safe drinking water, but it will also help to improve the quality of life and health of hundreds of families," said Suzanne Barber, a parishioner and member of the organizing committee.

Wings Bison will perform classic hits by artists such as the Beatles, Foo Fighters, The Killers, Red Hot Chili Peppers, Rolling Stones, Van Morrison, & more.

The concert, which was won by a parish member at a United Way Silent Auction last year, was originally donated by the band with the hopes of growing their fan base. However, it has turned into something greater.

"This event truly exceeds our expectations. We had hoped to gain a bit of exposure while serving the community - a true win/win. However, the Rock for Water event takes the notion of serving the community to a much larger, more global level," said Wings Bison band member, Lou Zanette. "Wings Bison looks forward to a great night of fun, dance, & reflection, as we can't lose sight of the peril in which some of our less fortunate find themselves."

Tickets are \$25 Adults & \$12 kids in Advance or \$30 Adults & \$15 kids at the door and are available at Church of the Holy Family, Ted's IGA or Hebron Quick Lube.

The Church of the Holy Family serves the communities of Hebron, Andover, Marlborough, and Columbia. For more information on programs and services at the Church of the Holy Family, contact the parish at 860-228-0096 or online at www.holyfamilyhebron.org.
